1. Insurans Islam TAIB Sdn Bhd hosted visits from primary school students on Monday, 14<sup>th</sup> March 2016 and Tuesday, 15<sup>th</sup> March 2016.
2. The visits were organised by Autoriti Monetari Brunei Darussalam (AMBD) together with the Curriculum Development Department of Ministry of Education. The objectives of these visits are to share with the students the inner workings of an insurance/ takaful company to allow them to develop a better understanding of the overall financial system in Brunei Darussalam.
3. 30 students from Sekolah Menengah Chung Hwa, Sekolah Rendah Beribi and Sekolah Rendah Muda Hashim came to visit Insurans Islam TAIB on Monday whilst another 30 students from Sekolah Rendah Raja Isteri Fatimah, Sekolah Rendah Ahmad Tajuddin and Tinkerbelle Learning School visited on Tuesday.
4. The students were introduced to the background of insurance/ takaful and was given a brief presentation on the day-to-day activities of Insurans Islam TAIB. This was followed by tour of their office premise and a series of interactive quizzes and financial themed games that focused on wise money management.
5. Besides visiting the banks, students from other primary schools have also visited Baiduri Bank and BIBD as well as AMBD's Currency Gallery as part of the activities organised in conjunction with Global Money Week.
6. Global Money Week (GMW) is an annual week-long event organised by Child & Youth Finance International (CYFI). It is aimed at increasing financial awareness amongst children and students. Brunei Darussalam has participated in this event since 2014, but was previously led by the Ministry of Education and Tabung Amanah Pekerja (TAP).
