Note to editors:

About National Savings Day (NSD)

NSD is a financial literacy event celebrated every 28 May. It is pledged under the National Financial Literacy Council (NFLC), which is spearheaded by BDCB.

Among NSD's key objectives are to promote a savings culture and prudent money management, enhance financial literacy in Brunei Darussalam, and increase the level of financial inclusion in Brunei Darussalam.

About NSD 2024 Financial Awareness Roadshows

The NSD 2024 Financial Awareness Roadshows aim to enhance financial literacy and promote understanding of the Central Bank's roles and responsibilities, specifically for Year 3 to 5 students.

This outreach initiative ensures students across all districts gain early exposure to age-appropriate financial management skills and knowledge.

About Brunei Darussalam Central Bank (BDCB)

BDCB is committed to achieving and maintaining a sound and dynamic financial system through the implementation of measures and execution of financial sector reforms in line with the national economic development objectives. These include ensuring the stability of domestic prices, maintaining the stability of the financial system by formulating financial regulations and prudential standards, assisting in the establishment and functioning of efficient payment systems and subsequently overseeing them, and fostering and developing a sound and progressive financial services sector.
